Be part of it!

Master of Science International Management (CEMS MIM)

Be part of a unique network

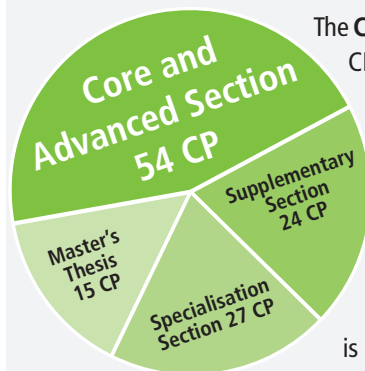

The CEMS network is a global alliance of 29 leading business schools, more than 60 multinational corporations and 4 social partners, that together offer the CEMS Master's in International Management (CEMS MIM).

We are one of the founding universities of the CEMS network and ist the only German member.

The CEMS MIM, top-ranked in the Financial Times Master's in Management Ranking, is a pre-experience postgraduate degree open to you as a top-class, internationally minded, multilingual student, enrolled in Cologne's M.Sc. International Management programme.

The global CEMS network comprises more than 1,000 students, representing more than 70 nationalities and an expanding network of currently 8,700 alumni working in 75 countries. For more information please visit: www.cems.org

Structure

The **Core and Advanced Section** (54 credit points, CP) comprises the compulsory CEMS Core Courses and elective modules.

In the **Supplementary Section** (24 CP), you are free to choose one of six subjects: Accounting, Corporate Development, Finance, Marketing, Supply Chain Management or Economics.

Modules in the **Specialisation Section** (27 CP) feature applied international management courses as business projects and case studies.

The **Master's Thesis** (15 CP) analyses a specific topic or scientific issue and is normally completed during the fourth term.

Your chance to

- Apply the latest research solutions to issues with real world relevance
- Develop your leadership skills in an intercultural setting
- Learn skills for international work experience through case studies, semester abroad and internships
- Network with CEMS-members all over the world

Once you become a part of the programme
...the world will be opened to you!

Dieter Hess

Professor and Programme Director:

"The University of Cologne – a founding member of the CEMS Alliance – is the only German university to offer the prestigious CEMS Master's in International Management. In Cologne, we cooperate closely with our corporate partners such as Henkel, A.T. Kearney and Deutsche Bank. If you are interested in international management and in a programme that prepares you for a position in a multinational enterprise, CEMS MIM is the perfect choice for you..."
