

# Fashion & Design Management

AMD Akademie Mode & Design, Berlin  
Bachelor of Arts

## Profile

### Fashion-specific skills combined with business know-how

Coming soon: From September 2021, our new English-language study program in Fashion & Design Management (B.A.)\* will be available at AMD Berlin. As a student, you'll gain in-depth knowledge about the fashion market and its mechanisms, and learn to successfully market products through different sales channels. The study program will qualify you for management positions in the fashion, lifestyle, and consumer goods industries
